**RFP # 2020-LUHSD Wireless Network Equipment  
Lassen Union High School District  
1000 Main St.  
Susanville, CA 96130**

**Question and Answers-1**

**Q. The Ruckus team needs to know what controller does the school currently have? They need to know which one you have in order to provide the correct licenses and support contracts. If the existing controller has enough licenses and support contracts to support the extra 8 APs, they can provide the correct part #.**

**A. *We have a ZD1200. We do not have enough licenses that is why the RFP has a category for licenses. See Equipment List pages 11-12 of the FY2020 LassenUHSD Wireless Network Equipment RFP.***
