Community Relations BP 1312.3(a)

UNIFORM COMPLAINT PROCEDURES

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The Board encourages early resolution of complaints whenever possible. To resolve complaints which may require a more formal process, the Board adopts the uniform system of complaint processes specified in 5 CCR 4600-4670 and the accompanying administrative regulation.

The district's uniform complaint procedures (UCP) shall be used to investigate and resolve the following complaints:

1. Any complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, after school education and safety programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, special education programs, consolidated categorical aid programs, and any other district-implemented program which is listed in Education Code 64000(a) (5 CCR 4610)
2. Any complaint alleging the occurrence of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) against any student, employee, or other person participating in district programs and activities, including, but not limited to, those programs or activities funded directly by or that receive or benefit from any state financial assistance, based on the person's actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital, pregnancy, or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, pregnancy or parental status or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on his/her association with a person or group with one or more of these actual or perceived characteristics (5 CCR 4610)
3. Any complaint alleging district noncompliance with the requirement to provide reasonable accommodation to a lactating student on school campus to express breast milk, breastfeed an infant child, or address other breastfeeding-related needs of the student (Education Code 222)
4. Any complaint alleging district noncompliance with the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities (5 CCR 4610)
5. Any complaint alleging district noncompliance with legal requirements related to the implementation of the local control and accountability plan (Education Code 52075)

Title IX and Nondiscrimination

6. Any complaint, by or on behalf of any student who is a foster youth, alleging district noncompliance with any legal requirement applicable to the student regarding placement decisions, the responsibilities of the district's educational liaison to the student, the award of credit for coursework satisfactorily completed in another school or district, school transfer, or the grant of an exemption from Board-imposed graduation requirements (Education Code 48853, 48853.5, 49069.5, 51225.1, 51225.2)
7. Any complaint, by or on behalf of a homeless student as defined in 42 USC 11434a, alleging district noncompliance with any requirement applicable to the student regarding the award of credit for coursework satisfactorily completed in another school or district or the grant of an exemption from Board-imposed graduation requirements (Education Code 51225.1, 51225.2)
8. Any complaint, by or on behalf of a former juvenile court school student who transfers into the district after his/her second year of high school, alleging district noncompliance with any requirement applicable to the student regarding the award of credit for coursework satisfactorily completed in the juvenile court school or the grant of an exemption from Board-imposed graduation requirements (Education Code 51225.1, 51225.2)
9. Any complaint alleging district noncompliance with the requirements of Education Code 51228.1 and 51228.2 that prohibit the assignment of a student to a course without educational content for more than one week in any semester or to a course the student has previously satisfactorily completed, without meeting specified conditions (Education Code 51228.3)
10. Any complaint alleging district noncompliance with the physical education instructional minutes requirement for students in elementary school (Education Code 51210, 51223)
11. Any complaint alleging retaliation against a complainant or other participant in the complaint process or anyone who has acted to uncover or report a violation subject to this policy
12. Any other complaint as specified in a district policy

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is acceptable to all parties. ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. For any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep the identity of the complainant, and/or the subject of the

Title IX and Nondiscrimination

complaint if he/she is different from the complainant, confidential when appropriate and as long as the integrity of the complaint process is maintained.

When an allegation that is not subject to the UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and related requirements, including the steps and timelines specified in this policy and the accompanying administrative regulation.

The Superintendent or designee shall maintain records of all UCP complaints and the investigations of those complaints in accordance with applicable law and district policy.

Non-UCP Complaints

The following complaints shall not be subject to the district's UCP but shall be referred to the specified agency: (5 CCR 4611)

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services, the County Protective Services Division, and the appropriate law enforcement agency.
2. Any complaint alleging health and safety violations by a child development program shall, for licensed facilities, be referred to Department of Social Services and shall, for licensing-exempt facilities, be referred to the appropriate Child Development regional administrator.
3. Any complaint alleging employment discrimination shall be sent to the California Department of Fair Employment and Housing and the compliance officer shall notify the complainant by first class mail of the transfer.
4. Any complaint alleging fraud shall be referred to the California Department of Education.

In addition, the district's Williams Uniform Complaint Procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to sufficiency of textbooks or instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff, or teacher vacancies and misassignments. (Education Code 35186)

The compliance officer who receives a complaint may assign another compliance officer to investigate and resolve the complaint. The compliance officer shall promptly notify the complainant and respondent, if applicable, if another compliance officer is assigned to the complaint.

In no instance shall a compliance officer be assigned to a complaint in which he/she has a bias or conflict of interest that would prohibit him/her from fairly investigating or resolving the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated.

The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program, applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), applicable standards for reaching decisions on complaints, and appropriate corrective measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the district issues its final written decision, whichever occurs first.

The Superintendent or designee shall annually provide written notification of the district's UCP, including information regarding unlawful student fees, local control and accountability plan (LCAP) requirements, and requirements related to the educational rights of foster youth, homeless students, and former juvenile court school students to students, employees, parents/guardians, the district advisory committee, school advisory committees, appropriate private school officials or representatives, and other interested parties. The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.61 shall be posted on the district web site and may be provided through district-supported social media, if available.

The Superintendent or designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, have access to the relevant information provided in the district's policy, regulation, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning the UCP shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

The notice shall:

1. Identify the person(s), position(s), or unit(s) responsible for receiving complaints

 - d. Complaints should be filed in writing and signed by the complainant. If a complainant is unable to put his/her complaint in writing, for example, due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint.
 - e. If a complaint is not filed in writing but the district receives notice of any allegation that is subject to the UCP, the district shall take affirmative steps to investigate and address the allegations, in a manner appropriate to the particular circumstances.

If the allegation involves retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) and the investigation confirms that discrimination has occurred, the district will take steps to prevent recurrence of discrimination and correct its discriminatory effects on the complainant, and on others, if appropriate.
 - f. A student enrolled in a public school shall not be required to pay a fee for his/her participation in an educational activity that constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities.

District Responsibilities

All UCP-related complaints shall be investigated and resolved within 60 calendar days of the district's receipt of the complaint unless the complainant agrees in writing to an extension of the timeline. (5 CCR 4631)

Title IX and Nondiscrimination

Know Your Rights

For complaints alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall inform the respondent when the complainant agrees to an extension of the timeline for investigating and resolving the complaint.

The compliance officer shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in the allegations shall be notified when a complaint is filed and when a decision or ruling is made. However, the compliance officer shall keep all complaints or allegations of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process. (5 CCR 4630, 4964)

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs may be filed by any individual, public agency, or organization. (5 CCR 4630)
2. Any complaint alleging noncompliance with law regarding the prohibition against requiring students to pay student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)
3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally suffered the unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months

Title IX and Nondiscrimination

Know Your Rights

from the date when the alleged unlawful discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when he/she is not the complainant, requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after the compliance officer receives the complaint, he/she may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed to through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Title IX and Nondiscrimination

Know Your Rights

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

Report of Findings

Unless extended by written agreement with the complainant, a final decision shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint. Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below. If the complainant is dissatisfied with

Title IX and Nondiscrimination

Know Your Rights

the compliance officer's decision, he/she may, within five business days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. When required by law, the matter shall be considered in closed session. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

In resolving any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent also shall be sent the district's decision and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

Final Written Decision

The district's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant and respondent. (5 CCR 4631)

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:
 - a. Statements made by any witnesses
 - b. The relative credibility of the individuals involved
 - c. How the complaining individual reacted to the incident
 - d. Any documentary or other evidence relating to the alleged conduct

Title IX and Nondiscrimination

Know Your Rights

- e. Past instances of similar conduct by any alleged offenders
 - f. Past false allegations made by the complainant
2. The conclusion(s) of law
 3. Disposition of the complaint
 4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

- a. How the misconduct affected one or more students' education
 - b. The type, frequency, and duration of the misconduct
 - c. The relationship between the alleged victim(s) and offender(s)
 - d. The number of persons engaged in the conduct and at whom the conduct was directed
 - e. The size of the school, location of the incidents, and context in which they occurred
 - f. Other incidents at the school involving different individuals
5. Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600

For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

- a. The corrective actions imposed on the respondent
 - b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with the respondent.
 - c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence.
6. Notice of the complainant's and respondent's right to appeal the district's decision to the CDE within 15 calendar days, and procedures to be followed for initiating such an appeal.

Title IX and Nondiscrimination

Know Your Rights

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. He/she may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with the CDE. (Education Code 262.3)
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, gender identity, pregnancy, and parental status, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. For complaints alleging noncompliance with the laws regarding student fees, the district shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint.
